

**Lesson Plan**  
**Tuesday, April 13, 2004**

Dr. Blount discussed the schedule for the final four weeks of class. In particular he noted that class presentations for graduate students will begin two weeks from today. Also please note that the graduate syllabus listed two dates for the final exam. The correct date is May 6<sup>th</sup>.

**I. Review of Tidelands Issues**

~~———— A. Tidelands and Submerged Lands Act (Nutshell, pp. 120-128).~~

**II. Historic Preservation and Marine Salvage (Nutshell, p. 156).**

~~———— A. LaSalle Expedition and LaBelle Discovery — Smithsonian, April 1997 (see reading file).~~

~~———— B. Texas Shores, Fall 2002 — Underwater Discoveries;  
———— Summer 2003 — The Sweet Trade (see reading file).~~

**III. National Marine Sanctuaries (Nutshell, pp. 171-174).**

LaSalle Expedition class handouts also available in reading file.
